- **Front-End Development:** HTML, CSS, JavaScript, React.js, Next.js
- **Back-End Development:** Node.js, Express.js, REST API, GraphQL
- **Mobile App Development:** React Native, Expo
- **Database Management:** MongoDB, MySQL, Firebase
- **Version Control:** Git, GitHub
- **Cloud & Hosting:** Google Cloud, Firebase, Render, Vercel
- **Testing & Debugging:** Jest, Postman, Chrome DevTools

Work Experience

Software Developer & Instructor - [Myteacher Institute](#)

June 2022 - Present

- Developed and deployed scalable web applications used for educational case studies.
- Provided hands-on training in web and mobile app development, ensuring students gain industry-relevant skills.
- Built and optimized RESTful APIs for seamless front-end and back-end communication.
- Mentored students in secure coding, software best practices, and debugging techniques.

Freelance Software & Mobile App Developer - [BrandHive Concepts](#)

January 2024 - Present

- Developed cross-platform mobile and web applications tailored for branding, digital marketing, and digital product development.

- Integrated third-party APIs and cloud services to extend software capabilities and drive data-driven insights.
- Collaborated with the BrandHive team to deliver budget-friendly, high-quality digital solutions—from custom website designs to interactive mobile apps.
- Conducted thorough code reviews and debugging to ensure scalable and secure applications.

Freelance Web Developer - [Domus Concepts](#)

January 2022 - Present

- Designed and developed responsive web applications focused on simplifying property search and connectivity.
- Enhanced UI/UX through modern front-end frameworks, ensuring secure authentication and smooth user interactions.
- Implemented interactive features such as dynamic property listings and real-time updates to support seamless house hunting experiences.
- Innovated a collaborative framework with property agents to integrate real-time data feeds, leading to a 50% decrease in system downtime and facilitating seamless access to critical information for decision-making.

Education

Myteacher Institute

Full-Stack Web Developer | 2021 - 2022

Certifications

- Data Analysis Certification | June 2021 – October 2021
- Mobile App Development Certification | August 2023 – December 2023
- Front-End Website Development Certification | January 2021 – April 2021
- Back-End Website Development Certification | August 2021 – December 2021
- Computer Operations and IT Support Certification | June 2020 – December 2020

Soft Skills

- High attention to detail and creativity
- Strong problem-solving and analytical skills
- Effective time management and adaptability
- Excellent teamwork and communication abilities
- Commitment to continuous learning and professional growth
